**OMC: OFFICE MANAGERS OF
ALTON MEMORIAL HOSPITAL**

Who should attend?

Coders, physicians, office managers and anyone affected by the change to ICD-10-CM.

Why should we attend?

With only 3 years until implementation practices need to begin preparation for this enormous transition from ICD-9-CM to ICD-10-CM.

Objectives:

1. Understand the differences between ICD-9-CM and ICD-10-CM.
2. Begin transitioning your current codes in preparation for October 1, 2013 implementations date.
3. Learn the alpha-numeric assignments.
4. Understand the Coding Principles for Physician Office ICD-10-CM

This program/publication/subscription/etc. has prior approval of the American Academy of Professional Coders for 5.0 Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program, content or the program sponsor.

This program has received 5.0 CEU's from AHIMA.

“This program has been approved for Continuing education units (CEUs) for use in fulfilling the continuing education requirements of the American Health “Granting prior approval from AHIMA does not constitute endorsement of the program content or it's program sponsor.”
Information Management Association (AHIMA).”
