

ECHOES (CPOE) UPDATE

- AMH goes live March 2012, **EIGHT MONTHS AND COUNTING!**
- Order sets are being built for the top admitting diagnoses
- A sampling of physicians at Alton have participated in testing of Orderables. If you would like to participate in testing see contact numbers below. You will be compensated for your time.
- **Your feedback is WANTED! We need your input!**
 - **ADDITIONS** to order sets are requested via the **Large Group Review** process.
 - **DELETIONS and PRE-CHECKS** are requested via the Facility Review process.
 - **Make your voice heard** in the design of safe, physician-friendly order sets: **Participate in the online Large Group Review process and/or as a team member of an Order Set Design Team!**
- The new Horizon Med Reconciliation module has been approved by the Community Hospital Physician Advisory Council to go live at the same time as the order entry system (CPOE).

For Questions contact your ECHOES coordinator for more information:
